4. IN RELATION TO PETROBRAS GUIDE OF ETHICAL CONDUCT FOR SUPPLIERS, GUIDE OF QUALITY FOR SUPPLIERS, CODE OF ETHICAL CONDUCT AND SOCIAL RESPONSIBILITY POLICY

4.1. Has/Have read and agree with the terms of Petrobras' Guide of Ethical Conduct for Suppliers, Guide of Quality for Suppliers, Code of Ethical Conduct and Social Responsibility Policy, committing themselves to comply with it in its entirety.

5. INDEPENDENT PREPARATION OF PROPOSAL

5.1. The attached proposal was prepared independently by the proponent , and the content of the attached proposal was not, in whole or in part, directly or indirectly, informed to, discussed with or received from any other potential or actual participant of this opportunity.

Note: This company also declares that it offer is independent, without proposals and/or prices manipulation between manufacturers, distributors and resellers, under penalty of disqualification and subjection to the measures that may be appropriate.

5.2. The intention to submit the attached proposal has not been informed to, or discussed with, or received from any other potential or actual participant in this opportunity, by any means or by any person.

5.3. It did not attempt, by any means or by any person, to influence the decision of any other potential or actual participant of this opportunity as to whether or not to participate in the said hiring process.

5.4. The content of the proposal shall not, in whole or in part, directly or indirectly, be communicated to or discussed with any other potential or actual participant of this opportunity before the conclusion of the said contracting process.

5.5. The content of the proposal was not, in whole or in part, directly or indirectly, by the proponent or by an intermediary, informed to, discussed with or received from any member of Petrobras contracting body, before the official opening of the proposals.

6. COMPLIANCE

For the purposes of this item 6 Conformity, "Group" means, in relation to a natural or legal person or a company, regularly constituted or not, itself, its Affiliates, its successors, assignees, its administrators, directors, representatives, employees, cooperative members, representatives and agents, including subcontractors.

The members of the Group of the proponent declare and guarantee, in relation to operations, activities, services or work in any way related to this hiring process, that:

6.1. Declares that did not make, did not offered nor authorized, either directly or indirectly, and compromises not to make, offer nor authorize, either directly or indirectly, any payment, gift, entertainment, travel, promise or any other advantage, either directly or indirectly, for the use or benefit of any authority or official, as defined in Article 327, head provision, § § 1st and 2nd, of the Brazilian Penal Code, any individual or entity, either domestic or foreign, whether belonging or not to any national or foreign public management, or related to them, including political party, a member of a political party, candidate for elective office, whenever such payment, offer or promise of gift, entertainment or travel, or any other advantage, constitute an offense under Brazilian law, in the Foreign Corrupt Practices Act of 1977 – FCPA or UK Bribery Act of 2010 – UKBA.

6.2. They are complying and will continue to comply with the applicable laws mentioned in 6.1.

6.2.1. If it is verified the occurrence of violations of the applicable Brazilian and Foreign Anti-corruption laws, criminal law and antitrust and related laws, they will take the necessary measures to stop such violations, remedy its consequences, and improve their anti-corruption programs.

6.3. They will comply faithfully and fully with the provisions below:

6.3.1. The proponent shall immediately inform Petrobras , in writing and upon proof of receipt, of the initiation and progress of any investigation or administrative or judicial proceeding to determine the practice of the illegal acts described in item 6.1, perhaps charged to the proponent 431 relating to this contract.

6.3.2. The proponent declares that it has informed its administrators, agents, representatives, employees, cooperative members and third parties acting in their interest or benefit, as well as to the members of the Group of the proponent , of its commitment in relation to the provisions in this statement, as well as taking measures so that they compromise not to practice conduct or omissions that may result in violations of the commitments established and statements contained in this instrument or in responsibility for Petrobras.

6.3.3. The proponent is responsible for the acts performed in breach of the provisions of this item 6 -CONFORMITY, by itself and the members of the Group of the proponent .

6.4. The proponent declares and warrants that:

6.4.1. The proponent and its Affiliates (i) are not subject to, do not belong to, and are not controlled by a person or entity subject to any list of Sanctions; (ii) are not located, have not

been constituted and are not resident in countries subject to Sanctions; and (iii) in the activities related to this contracting process, they have no commercial affiliation or business with, or investments in, any country or person subject to Sanctions.

6.4.1.1. If the proponent and its Affiliates are in any of the situations described in item 6.4.1 above, the proponent declares and warrants that the situation (s) does not affect the proponent's participation in this hiring process and in the contract celebration.

6.4.1.2. In the event described in item 6.4.1.1 above, the proponent must attach to this declaration a description of the existing Sanctions, together with the grounds for the conclusion that they do not affect the proponent's participation in this hiring process and in the contract celebration.

6.4.1.3. Petrobras will analyze the information presented by the proponent in compliance with item 6.4.1.2 above. Upon a reasoned decision by Petrobras, the proponent may be excluded from the contracting process if it is identified that his participation would make contracting party or its Affiliates exposed to the risk of non-compliance with Sanctions applicable to the contracting party by virtue of legal or contractual rules.

6.4.2. For the purposes of this Declaration:

6.4.2.1. "Affiliates" means, in relation to the proponent, its subsidiaries, parent companies and, if involved in the transactions object of this contracting process, companies under common control.

6.4.2.2. “Sanctions” means, in addition to the sanctioning resolutions of the United Nations Security Council, of mandatory observance under Law No. 13,810 / 2019, the laws, regulations, prohibitions, orders and restrictive measures implemented by the United States of America, European Union and United Kingdom, including their institutions and government agencies, which establish economic sanctions or import or export controls aimed at prohibiting or restricting business with individuals, entities, governments, countries or territories.
