HOW TO VIEW AN ORDER

In case of need to send a message to the responsible, it is possible to create a ticket or search for an opened process by accessing the tab “**Contact us**”

The screenshot displays the Petronect web application interface. At the top, there is a navigation bar with several menu items: Purchasing and Contracting Management, The Petronect, Registry at Petrobras, Electronic Quotes, **Contracts and Orders** (highlighted with a red box), Petrobras Security Information Standards, and Register. Below this, a secondary navigation bar includes About Contracts and Orders, My Orders, **Contact Us** (highlighted with a red box), and Contracts Financing.

The main content area is titled "Contact Us" and contains two paragraphs of text in Portuguese. The first paragraph states: "Este canal foi criado para o diligenciamento de pedidos que foram comprados através do Serviço de Cotações da Petronect. Para demais pedidos, verifique diretamente com o Diligenciador responsável." The second paragraph states: "O Diligenciamento Petronect compreende todas as ações necessárias para permitir que o Pedido seja entregue no prazo contratual, de acordo com as especificações aplicáveis e dentro dos padrões de qualidade esperados pelo Cliente." A "Ticket Search" button, represented by a magnifying glass icon, is highlighted with a red box.
