Satisfaction Survey

I. Objective

After this training module, you will be able to:

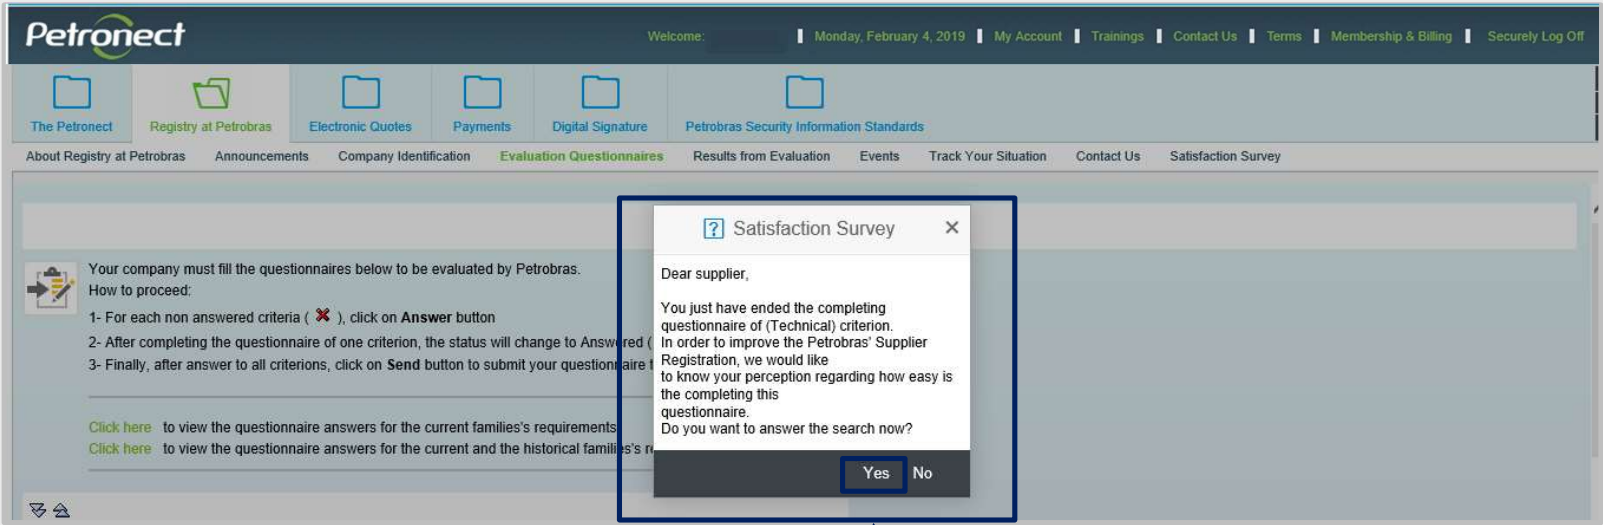

- Access and respond to Petrobras' satisfaction survey

Note: * In order to adapt the process of registration of Petrobras suppliers to Law 13303/16, as of 01/22/2018, the Certificate of Registration and Cadastral Classification (CRCC) and the Simplified Registration Statement (DRS) are no longer issued. Both certificates ceased to exist, and a single document, the Cadastral Register Certificate (CRC), became effective.
